ADDENDUM ONE

FEDERAL LOBBYIST/CONSULTANT SERVICES REQUEST FOR QUALIFICATIONS 23Q-2271

Proposers are required to indicate on their Proposal Signature Form that they have received and acknowledged Addendum One.

The following questions were submitted followed by the answers;

1. With respect to this item on page 8, "Fees should be itemized by task or deliverable, as consistent with the submission's organization. The fee proposal should assign dollar amounts or percentages of total fees to each major work product. An ultimate agreement's payment schedule will match this itemization, unless revised."

It is our impression that this language may be a carryover from another RFQ, and such a fee structure might not be permissible related to federal lobbying services. Please clarify if this language was intended as part of this RFQ.

Yes, this language was intended to be a part of this RFQ.

2. Is it the intention that Winnebago County has one firm to do both the federal and state lobbying?

No, Winnebago County is open to one firm doing both or two separate firms.

Any questions should be directed to the Purchasing Department, 404 Elm Street, Room 202, Rockford, IL 61101 or by telephone 815-319-4380, or email Ann Johns at purchasing@purchasing.wincoil.gov
